2. Describe the need for such a school in your city or area. Please use actual statistics if possible.
3. What is your target group? High school? Junior high? Elementary? Pre-school?
4. What is your mission statement?
5. List below your board of directors. Include their professions and how much support they offer the school financially. Also explain how each of them plans to contribute to the other needs of the school.
6. Are you incorporated? In which state? List the date of incorporation.

7. How is your school going to be financed? Donors, tuition, or both?
8. If applicable will you have a sliding scale for tuition?
9. Describe your accounting process. How is your income (tuition and donations) going to be managed?
10. Are you partnering with a church or an existing ministry or will you be an independent start-up?
11. Describe what your organizational structure will be. Administration, faculty, classified personnel.
12. What is your physical plant going to be? Church? School building? Office building? What will your relationship be with the owners?
13. What courses need to be taught according to state mandates in order for you to award diplomas? What credits are needed to graduate?
14. What curriculum will you be using?
15. Attach your school's Statement of Faith.
16. Attach a signed StreetSchool Network™ Statement of Faith.
17. Attach a copy of your 501-c-3.
18. Please attach your financial development plan (if any) which shows plans for the next two years.
19. Please attach a budget (if any) that shows both projected income and expenses for the next two school years.
20. What are your goals and objectives for the next 12 months, 2 years, and 3 years? Please attach projected number of students, staff, expected budget etc.

Checklist

I choose Membership or Friendship with StreetSchool Network™ . See table below for explanation of different pricing and benefits. List here: _____

- I have attached our Statement of Faith.
- I have attached a signed copy of the StreetSchool Network™ Statement of Faith.
- I have attached a copy of our 501-c-3.
- I have attached a copy of our financial development plans showing plans for the next two years.
- I have attached a budget, which shows expenses and income for the next two years.
- I have attached a list of our goals and objectives for the next 12 months, 2 years, and 3 years, including the projected number of students, staff, expected budget etc.
